

## Program Mission

Preparing qualified and specialized professionals in supply chain and logistics who are capable of innovation and addressing regional and global challenges. This is achieved by integrating theoretical knowledge with practical application, utilizing the latest educational methods and technologies, and keeping pace with best practices within an educational environment that upholds values and professional ethics, to achieve sustainable development goals and align with national policies.

## Program Goals

1. Preparing graduates equipped with knowledge, skills, and tools in supply chain management and logistics to meet labor market demands.
2. Developing the ability to select and apply appropriate methodologies and strategies to design innovative solutions for supply chain and logistics challenges.
3. Integrating advanced technology into education and logistics applications.
4. Enhancing engagement with the local community and national sectors to address their needs in the field of supply chain and logistics, in alignment with professional values and ethics.

## Expected Career Opportunities for Graduates

For example:

- Supply Chain Management and Logistics Operations Manager in the public and private sectors.
- Planning and Development Manager.
- Logistics Operations Manager.
- Port Operations Manager.
- Procurement Manager.
- Land Transportation Manager.
- Warehouse Manager.
- Logistics Services Manager.

And more.

## Program Study Plan

Study Plan (36 Credit Hours)

First Year - First Semester		
Course Code	Course Name	L
SCL 611	Introduction to Logistics	3
SCL 612	Global Supply Chain Management	3
SCL 613	Logistics Operations Management	3
Total Hours		9

First Year - Second Semester		
Course Code	Course Name	L
SCL 621	Supply Chain Management Strategies	3
SCL 622	Integrated Operations Systems	3
SCL 623	Sustainability in Supply Chains	3
Total Hours		9

Second Year - First Semester		
Course Code	Course Name	L
SCL 631	Technology in Logistics	3
SCL 632	Risk Management in Supply Chains	3
SCL 64X	Elective Course (1)	3
Total Hours		9

Second Year - Second Semester		
Course Code	Course Name	L
SCL 641	Practical Project	6
SCL 64X	Elective Course (2)	3
Total Hours		9

Elective Courses		
Course Code	Course Name	L
SCL 642	Quality management in supply chain systems	3
SCL 643	Warehouse design and management	3
SCL 644	Marine logistics and port management	3
SCL 645	Air freight management	3
